To whom it may concern,

This letter is to confirm that the District Council of Grant has had a successful partnership with Chigle for the last 2 years.

The District Council of Grant has 100 staff that are located over 7 Council sites. The sites include: Main Office, Works Depot, Airport, Saleyards and 3 Rural Transaction Centres. Council had a requirement to eliminate spam and put effective web filtering in place to protect staff. After extensive research the District Council made a strategic decision to partner with Chigle to deliver a product from Surf Control. The solution suggested and implemented by Chigle delivered on all aspects of Councils business requirements. The solution was delivered on cost, seamlessly and without fuss.

The stand out for me is the fact that every member of the Chigle team has a "can do attitude" responding to urgent request as if they were there own.

I have no hesitation in recommending Chigle to anyone seeking an IT partner.

Yours sincerely

Dean O'Byrne
